EDUCATION

- 2020 Ph.D. in Environmental Analysis, Department of Chemistry, NKUA. Thesis title: "Study on the transformation of anthropogenic atmospheric pollutants in atmosphere and biological fluids"
- 2014 MSc in "Environmental Chemistry and Technology", Department of Chemistry, National and Kapodistrian University of Athens (NKUA). Thesis title: Development and validation of multivariate method for the determination of heavy metals in airborne particulate matter
- 2012 BSc in "Chemistry", Department of Chemistry, National and Kapodistrian University of Athens

APPOINTMENTS

- 2023 - today Laboratory and Teaching staff in Environmental Chemistry, Department of Chemistry, National and Kapodistrian University of Athens
- 2022 - 2023 Post-Doctoral Researcher, Institute of Environmental Research and Sustainable Development (IERSD) of the National Observatory of Athens (NOA)
- 2020 – 2022 Post-Doctoral Researcher, Analytical Chemistry Laboratory, Department of Chemistry, National and Kapodistrian University of Athens

RESEARCH FIELDS

- i) monitoring of organic and inorganic pollutants in atmosphere and other environmental matrices, ii) pollutants' source apportionment, iii) impact of pollutants in public health, iv) development and validation of analytical methods for the determination of pollutants in different environmental matrices and biological fluids v) application of analytical methods for the determination of compounds related with the environment, from different chemistry sectors

EDUCATIONAL EXPERIENCE

UNDERGRADUATE COURSES

- Atmospheric Chemistry (course/lab), Dept of Chemistry, NKUA
- Environmental Chemistry (course), Dept of Chemistry, NKUA
- Environmental Management and Technology, Dept of Chemistry, NKUA

AWARDS / SCHOLARSHIPS

- PhD research work was supported by the Hellenic Foundation for Research and Innovation (HFRI) and the General Secretariat for Research and Technology (GSRT), under the HFRI PhD Fellowship grant (GA no.1102) (2015-2020)

REVIEWER OF SCIENTIFIC JOURNALS

Chemosphere, Atmosphere, Sustainability, Toxics, International Journal of Environmental Research and Public Health

ADDITIONAL INFORMATION

- Presentations at conferences: **14**
- Collaboration/Participation in **6** Research Programs

SELECTED PUBLICATIONS

- K.G. Koukoulakis, P.G. Kanellopoulos, E. Chrysohou, D. Costopoulou, I. Vassiliadou, L. Leondiadis, E. Bakeas (2020). Atmospheric concentrations and health implications of PAHs, PCBs and PCDD/Fs in the vicinity of a heavily industrialized site in Greece. *Appl. Sci* 10(24): 9023 (IF:2.838)
